To The Secretary to Government,
Revenue(Special) Department

Sir,

With reference to Government Endorsement No. 898-I, dated 10-7-1920 forwarding for remarks a memorial from the ryots of Lingadahalli, Hospet Taluk, Bellary District complaining about the want of grazing facilities in the neighbouring forest reserves, and praying that hill block S.No.39 in the Ubbalagondi North Extension reserve

Plante

which was closed to grazing may be thrown open for the use of their cattle, I have the honour to state that, on enquiry, the District Forest Officer Bellary reported that the memorialists' grievance was real and that the hill block in question now under exploitation by the Military Grass Farms Department, might be thrown open to the memorialists if the Military Department had no objection and were willing to take other reserves in exchange. The Collector supported the District Forest Officer's recommendation.

2. The Assistant Controller of Grass Farms 9th Division, Bangalore, whom I addressed in the matter, consents to this course, subject to the condition that the Military Department should have the right of removing hay from the block during the next harvesting season, should any surplus be found therein, after meeting local requirements - please see copy of his letter enclosed.

3. If Government see no objection the Memorialists may be informed that the hill block referred to by them will be thrown open for grazing on payment of the usual grazing fees and for free removal of grass, subject to the reservation specified by the Assistant Controller.

I have the honour to be,

Your most obedient servant,

for Chief Conservator. 7/9

Copy of letter from the Assistant Controller of Grass Farms, No,4311 F/11, dated 9th September 1920.
